Dear Jane

Thank you for your letter. I'm glad to ~~get it again~~ hear from you again.

In your recent letter you asked me about learning foreign languages. Well, in my opinion, studying Russian is a good idea. But learning languages isn't an easy thing. It's a long slow process which takes a lot of time and practice. Being bilingual or multilingual has many benefits. For example, people have a huge chance to get a good job because not everyone knows foreign languages. Also, when they travel to another country, they can communicate with other people.

Sorry, I've got to go now. Write back soon.

Best wishes,
Pelina
